Further questions call:
Wesley Clark: 860-628-1880
Daryl Clemens: 616-929-0132

This training will help to refine your skills from crime scene protection and evidence collection to improving information obtained from witnesses and assessing the truthfulness of suspect statements. Some topics covered include: evidence, photography, latent prints, footwear, trace evidence, DNA, interviewing, developing rapport, enhancing witness memory, strategic use of evidence in interviews, deception in language, as well as statement analysis techniques.

Daryl Clemens, crime scene investigator, instructor and Editor of Crime & Clues, and Wesley Clark, Detective Sergeant Connecticut State Police Major Crime Squad (ret), interview & interrogation expert and president of LIES Linguistic Interrogation Expert Services have combined their years of training and experience to bring you this unique training opportunity!
